- Look forward to making special and lasting international friendships!

Join Our International Friendship Family!!!

Our local host family coordinators are excited to work with your family on answering any questions you have. Your local coordinator will guide your family through the next steps of joining our International Family. Give us a call and we'll get you started with our application process. Once you family has submitted your application, your local host family coordinator will process your application and call you to arrange a time for a Home Visit. We love having the opportunity to meet each family and chat in more detail about the hosting experience. Finally, when all of the application details and the home visit are complete, we will share with your family the personal profile of your students. Now the fun begins! The connections made before arrival day are exciting and fun!

THANK YOU for *considering hosting AND sharing this opportunity with others!*
